

Getting Going into Employment in Oldham

KeyRing's Getting Going project will support people with learning difficulties, disabilities and autism to take a step closer to the workplace or training through 1:1 support.

It will be run online and is free to join.

Through the exciting 8 week programme you will:

- Improve your CV
- Meet new people and have fun!
- Make a plan to get you closer to work
- Gain access to inspirational local businesses
- Get help with benefits
- Get support to look for work, education or training opportunities

Register from November
